that gives and him that receives, is a fine sentiment. Unfortunately in this base world of ours theory and practice can never be the same. When the Unionists, at the close of the Rebellion, proclaimed pardon to the Confederates for misdeeds in the past, it was doubtless the statesmanship of Heaven and the Millenial. A glance at the above will show that this indiscriminate pardoning was not a blessing in the case of the man who wrote it. A little persecution would undoubtedly improve Designated Depository of the State. him, not to mention the severance
